

Memorandum on Understanding is concluded with Yonsei University, Republic of Korea

The Strategic Research Area of Sustainable Development in East Asia, Saitama University has concluded the Memorandum of Understanding (MoU) with the Center for Global ESG and Business Ethics, Yonsei University School of Business, Yonsei University, Republic of Korea. The MoU is anticipated to enhance the mutual exchange of research on sustainable development.

The inaugural seminar of these two institutions was held in Saitama University on 12 July 2024, and discussed issues such as ESG evaluations and strategies, and business ethics related to sustainable development.
